

SUPERGEN 20W-50

Petrol/CNG

SUPERGENTM
Engine Oils

Introduction -

Supergen is a series of engine oils by Lubeco Green Fluids, developed for a wide range of engine types to provide customers with an unmatched experience of engine maintenance. Supergen engine oils are cost-effective & help in smoothening the engine processes.

Application -

Heavy Vehicles, Cars & Autorickshaws

Description -

Supergen series is specially engineered for quality care & smooth functioning of your engines. Our engine oils assist you in executing hassle-free industrial processes by energizing your engines. They also decrease fuel consumption in vehicles & escalate the engine's life.

Types -

Mineral, Semi Synthetic & Premium Synthetic

Packing options -

900ml, 1L, 2.5L, 3L, 3.5L, 5L, 7.5L, 10L, 20L, 50L and 210L

Technical Specifications

- ⚙ High viscosity index
- ⚙ High quality base stocks
- ⚙ Good anti-wear, thermal & anti-oxidation properties

SUPERGEN 20W-50

Petrol/CNG

MINERAL BASE

	Specifications	Colour	Density @ 29°C	Viscosity @ 40°C	Viscosity @ 100°C	VI	Flash point (°C)	Pour Point (°C)	TBN (Mg KOH/gm)
SUPERGEN 20W-50	API SN/JASO MA	Light Brown	0.85-0.90	115-125 cst	14.70 cst	130	200	(-) 20	11.00-12.00

SEMI SYNTHETIC

	Specifications	Colour	Density @ 29°C	Viscosity @ 40°C	Viscosity @ 100°C	VI	Flash point (°C)	Pour Point (°C)	TBN (Mg KOH/gm)
SUPERGEN 20W-50	API SN/JASO MA	Yellow to Light Brown	0.85-0.90	115-125 cst	15.80 cst	145	215	(-) 25	11.00-12.00

PREMIUM SYNTHETIC

	Specifications	Colour	Density @ 29°C	Viscosity @ 40°C	Viscosity @ 100°C	VI	Flash point (°C)	Pour Point (°C)	TBN (Mg KOH/gm)
SUPERGEN 20W-50	API SN/JASO MA	Golden Yellow	0.80-0.85	115-125 cst	17.70 cst	170	235	(-) 40	11.00-12.00
